

Summer Reading Log Sheet Rising 1st Grade

Student Name: _____

On the chart below, please fill in the number of minutes that your child read either silently or aloud to someone, for each day. At the end of each week, total the minutes read for the week, and initial it. **SAVE** this paper to turn in to your child's 1st grade teacher during the first week of school in August. Each child who turns one in will receive a little prize.

Week of	Sun.	Mon.	Tues.	Wed.	Thurs.	Fri.	Sat.	Total Minutes	Parent Initial
May 30									
June 6									
June 13									
June 20									
June 27									
July 4									
July 11									
July 18									
July 25									
August 1									
August 8									

Please help your child to make it his/her goal to read at least 15 minutes per day throughout 11 weeks of summer vacation. Have them read books they enjoy (attached is a listing of books appropriate for the primary grades). We also encourage parents to continue reading to your children.

We appreciate your support and want you all to have a great summer of reading together as a family.
