

## Rising 5<sup>th</sup> Grade Summer Reading Requirements 2009-2010

\*All students are **required** to read ***The Whipping Boy*** by **Sid Fleischman** and complete the pre-reading response form before you read the book. Make sure you read this book last so that your recall is fresh. When we return to school we will complete a creative activity, which will produce a Reading grade for first quarter report cards.

All students must also choose **2 additional novels** from the approved list above and complete the How Does It Rate book review form for each book. The book review forms will be collected when we return to school and produce a homework grade for first quarter report cards.
