

## **School Supplies are just a "CLICK" away...**

For the 2010-2011 school year, the HSA is offering the option to purchase your school supplies through a simple and convenient online program. We have found a local vendor that can supply your child with a "KwikPak" of school supplies customized to Queen of Angels Catholic School's supply lists. No more driving around looking for the "exact" items. The KwikPak will include everything your child needs and be delivered to the school for pick up before the start of the school year.
