

VP Web Communications

The responsibility of the VP of Web Comm is to update and keep current all information on the HSA's Web Page, especially as it relates to the HSA Vice Presidents and their committees. The goal is to provide an informative HSA Web Page to the parents of Queen of Angels Catholic School. The VP of Web Comm should keep open communications with each Vice President, and make sure new and upcoming information is updated on the Web site regularly. This person also works with the HSA President and Frances Gomes, the QOA Technology Coordinator.
