

Advertising Sponsorship Program

An exciting new feature to our *A Night at the Met Gala & Auction* is the use of the BidPal Network of handheld devices for the automation of the bidding process. Attendees will be given a handheld (iPod) device to use during the event to enter and manage their bidding. This is a unique opportunity to advertise your business or personal message to over 250 attendees. Each ad will rotate views throughout the night.

There will be a maximum of 15 advertisers for the event with a minimum of 6 Bid Pal views for the duration of the event.
